Medicaid Statewide Technical Assistance

The MITS Advisor team has developed a [MITS Resource and Virtual Training site](#). The new site provides school district personnel with access to recorded training sessions related to school-based Medicaid operations, as well as tracking and reporting tools, example forms, and guidance documents to assist school personnel with operating efficient Medicaid programming.

Medicaid Billing

The Division of Elementary and Secondary Education has published the 2021 School-based Medicaid Billing Profiles. The Medicaid billing profiles provide statewide and district level summarized billing information.
