2026 AFUA Eligible REAP Districts

Alternative Fund Use Authority (AFUA) Pilot • School Year 2026-2027

A district listed below may use the Alternative Fund Use Authority in 2026-2027. AFUA lets an eligible district use its Title II, Part A and Title IV, Part A funds to carry out activities authorized under Title I, Part A; Title II, Part A; Title III; Title IV, Part A; or Title IV, Part B. Eligibility rests on the district qualifying for the Small, Rural School Achievement (SRSA) program, the Rural and Low-Income School (RLIS) program, or both (20 U.S.C. §§ 7345(b), 7351(b)).

139 districts are eligible: 37 through SRSA only, 66 through RLIS only, and 36 through both.

Appearing on this list does not make a district eligible for a Small, Rural School Achievement grant. SRSA grant allocations are governed separately by ESEA § 5212(b) and are unchanged. A district that intends to use AFUA notifies ADE in Part 2 of the District Application for Federal Flexibility, due October 1, 2026.
