

STAY CONNECTED

CAYSI serves Arkansas children with dual sensory impairments and additional disabilities, otherwise known as deafblindness. Support to families and educational teams are provided to promote academic achievement and improve lives for children with dual sensory impairments. This work is in collaboration with special and regular educators, families, early intervention providers, specialists, paraprofessionals, as well as OTs, PTs, and SLPs.

The content of this publication was developed under a grant from the US Department of Education, #H326T230038.
