PART 1. Significant Disproportionality: Identification (3 year pattern)

A blank field in this section is due to small cell counts based on the State's criteria or the risk is too negligible to calculate a **Risk Ratio**. A value greater than 3.00 in ***RED*** *for* ***three consecutive years*** in the same racial/ethnic group requires a district t provide Comprehensive Coordinated Early Intervening Services.

Race Group WRR by School Year	American Indian/ Alaskan Native	Asian	Black (Non-Hispanic)	Hispanic	Hawaiian/ Pacific Islander	White (Non-Hispanic)	Two or more

PART 1. Significant Disproportionality: Identification (3 year pattern)

A blank field in this section is due to small cell counts based on the State's criteria or the risk is too negligible to calculate a **Risk Ratio**. A value greater than 3.00 in ***RED*** *for* ***three consecutive years*** in the same racial/ethnic group requires a district t provide Comprehensive Coordinated Early Intervening Services.

Race Group WRR by School Year	American Indian/ Alaskan Native	Asian	Black (Non-Hispanic)	Hispanic	Hawaiian/ Pacific Islander	White (Non-Hispanic)	Two or more
2025				1.05		1.18	
2024				0.99		1.17	
2023				1.12		0.93	

PART 2. Significant Disproportionality: Disability Category (3 year pattern)

A blank field in this section is due to small cell counts based on the State's criteria or the risk is too negligible to calculate a **Risk Ratio**. A value greater than 3.00 in ***RED*** for ***three consecutive years*** in the same racial/ethnic group by disability category requires a district to provide CCEIS.

PART 1. Significant Disproportionality: Identification (3 year pattern)

A blank field in this section is due to small cell counts based on the State's criteria or the risk is too negligible to calculate a **Risk Ratio**. A value greater than 3.00 in ***RED*** *for* ***three consecutive years*** in the same racial/ethnic group requires a district t provide Comprehensive Coordinated Early Intervening Services.

Race Group WRR by School Year	American Indian/ Alaskan Native	Asian	Black (Non-Hispanic)	Hispanic	Hawaiian/ Pacific Islander	White (Non-Hispanic)	Two or more

PART 2. Significant Disproportionality: Disability Category (3 year pattern)

A blank field in this section is due to small cell counts based on the State's criteria or the risk is too negligible to calculate a **Risk Ratio**. A value greater than 3.00 in ***RED*** for ***three consecutive years*** in the same racial/ethnic group by disability category requires a district to provide CCEIS.
