# Special Education Data Reporting Requirements Timeline

## School Age and Early Childhood

# Cycle 2 Submission:

- ✓ All students with an active IEP must be in the School Age Module by October 1 for the official special education sub-population count
- ✓ All students with a grade level in demographics of EE, SM, SS must have their assigned grade in the school age module updated and verified. The assigned grade is used for federal reporting, graduation cohort, and grade level for statewide testing
- ✓ Remember to keep Primary Disability & Alternate Assessment up-to-date at all times, as they are pulled every cycle in which student data is pulled.
- ✓ Make all private providers inactive.

# Use of Non-Graded Codes

There are a few reasons to use non-graded grade level codes:

- ✓ Seniors who are staying until they are 21
- ✓ A self-contained student's grade level is not part of the building where the student's classroom is located.
- ✓ A 5<sup>th</sup> grade student is in a self-contained classroom which is located at the K-4 elementary building. Since the building is K-4 grade 5 cannot be entered into SMS. The grade level is entered as SM in the SMS and the assigned grade (A-Grade) level being 05 in the SA Module

-Personnel

-Child Count
