

Residential Calendar

2021-22

NOTE: This calendar will be the same for all residential facilities regardless of the calendar of the district where they are located. Revisions will only be made if ADE is notified that weather conditions have prevented a facility's instruction staff from safely traveling to the facility. Whether the local school district is in session or not will not be the factor that determines whether services are reimbursed. If services are provided by the residential facility during the **178 days** included in the calendar shown below, the facility is eligible to be reimbursed. The maximum number of days that a facility is eligible to be reimbursed for educational services is **178 days**.
